

Going *green*

Resident Box Recycling

Have extra boxes on hand after moving? Recycle them! We will pick up and store any used boxes for other residents to use! This is a win-win, not only do you not have to worry about disposing of bulky boxes, but you are also helping the environment! AND, think of all the money you can save by borrowing the boxes! Please see the office for more details!

- Boxes need to be in good shape
- Packaging material accepted as well
- Please bring boxes to the office or call us to pick them up
- When you are done, kindly return for next use.
